

## PRESS RELEASE

### OMER: CONTRACT SIGNED FOR THE SUPPLY OF INTERIORS COMPONENTS FOR 46 TRAINS FOR METRO MILANO LINES

**Carini (PA), September 27th, 2023** – OMER S.p.A. (the "**Company**" or "**OMER**," ISIN IT0005453748) – a company active in the field of components and interior furnishings for railway transport vehicles – announces that it has signed, with Hitachi Rail, a contract for the supply of interior components for 46 trains for Metro Milano subway, M1, M2 and M3 lines.

The start of supplies by Omer is expected within the **end of 2023**, with a duration of the contract expected until 2025. The new vehicles, made up of 6 aluminum carriages, will contribute to further renewing the public transport network, offering passengers more modern, accessible and comfortable means of transport.

The order entrusted to the Company concerns the construction of the transverse walls and longitudinal coverings of the train, including the seat.

The value of the contract, of which it is not possible to give full disclosure, will contribute to the company's backlog<sup>1</sup> in a percentage within a range between 5 and 10%.

**Giuseppe Russello, President and CEO of OMER S.p.A.**, commented: *"We are pleased to have signed this agreement, allowing our company to deploy all the expertise gained over more than 30 years of activity in a project that places the utmost emphasis on design, accessibility, comfort, safety, and sustainability. Furthermore, this contract enables us to re-enter the Italian subway market and offer our interiors, which are made using lightweight alloys and other composite materials, already highly appreciated in other subway systems in various European cities. Our constant commitment to research and engineering development activities allows us to offer the market innovative, functional, and cutting-edge solutions that meet the new comfort and safety needs of users".*

#### **About OMER**

OMER S.p.A., founded in Palermo in 1990 as a manufacturer of components for road vehicles, in 1993 began operating in the sector of components and interior furnishings for railway vehicles. Today OMER is an important international operator in the design and production of railway components with a high engineering, design and innovative content, intended for the preparation of high-speed, regional and underground trains. The Company is positioned as a partner of the manufacturers of railway trains, which receive their orders from railway transport operators. The Group is recognized by the main manufacturers of rolling stock and is specialized in the design and production of railway interiors, i.e. internal coatings intended for all areas of the vehicle, of cabins for sanitary modules (so-called toilet module cabins), as well as of the external components of the carriage, such as fairings and doors. The Group's commitment is also made clear by an ESG (Environmental, Social, Governance) profile. The Issuer's products are in fact intended for a sector which cares for the environmental impact such as the railway sector. In this regard, the prevalent use of aluminium inside the trains is oriented towards high recyclability. For more information visit our website: [www.omerspa.com](http://www.omerspa.com)
