

PRESS RELEASE

OMER: THE OPERATIONAL ACTIVITIES FOR THE EXECUTION OF A NEW ORDER OF TOILET MODULES BY THE KNORR-BREMSE GROUP FOR GERMAN REGIONAL TRAINS CORADIA STREAM HAVE STARTED

THE ORDER WILL CONTRIBUTE TO THE VALUE OF THE BACKLOG¹ IN A PERCENTAGE ABOUT 3%

Milano, November 5th, 2025 - OMER S.p.A. (the “Company” or “OMER”, ISIN IT0005453748) - a company active in the field of interior components and furnishings for railway transportation - announces that it has started the operational activities for the execution of a new order by **Knorr-Bremse Rail Systems Italia** concerning the supply of **toilet modules** for the high-capacity German regional trains Coradia Stream.

The order entrusted to OMER involves the supply of cabins for toilet modules for **42 trains**. The start of delivery activities will take place **during the last quarter of 2025 and will be concluded by the end of 2026**, with a more significant execution during 2026.

The value of the order will contribute to the Company’s backlog in a percentage equal to approximately 3% of the value of the backlog, which as of 30 June 2025 amounted to € 169 million¹.

Knorr-Bremse will equip the Alstom trains that will be supplied to Nahverkehrsverbund Schleswig-Holstein (NAH.SH), the integrated transport association that organizes, on behalf of the state, rail passenger transport in the German federal state of Schleswig-Holstein, located in northern Germany.

Giuseppe Russello, Chairman and CEO of OMER, commented: *“This new order from Knorr-Bremse Rail Systems Italia confirms the strength of our relationships and the trust we have from our international partners. It marks a further step in OMER’s growth in European markets and a strengthening of our position as a leading supplier of high-quality toilet modules”*.

About OMER

OMER S.p.A., founded in Palermo in 1990 as a manufacturer of components for road vehicles, in 1993 began operating in the sector of components and interior furnishings for railway vehicles. Today OMER is an important international operator in the design and production of railway components with a high engineering, design and innovative content, intended for the preparation of high-speed, regional and underground trains. The Company is positioned as a partner of the manufacturers of railway trains, which receive their orders from railway transport operators. The Group is recognized by the main manufacturers of rolling stock and is specialized in the design and production of railway interiors, i.e. internal coatings intended for all areas of the vehicle, of cabins for sanitary modules (so-called toilet module cabins), as well as of the external components of the carriage, such as fairings and doors. The Group's commitment is also made clear by an ESG (Environmental, Social, Governance) profile. The Issuer's products are in fact intended for a sector which cares for the environmental impact such as the railway sector. In this regard, the prevalent use of aluminium inside the trains is oriented towards high recyclability. For more information visit our website: www.omerspa.com
